

Designed to deliver superior performance, our resins meet the highest quality standards, providing reliability and value in the market's most demanding applications.

Ascend	Vydyne, Hidura, Starflam
Borealis	PP
Covestro	Makrolon, Bayblend, Makroblend & Apec
Cynpol	PE, PP, PS, ABS
Denka	SBC
Elix Polymers	ABS, ABS/PC
Formosa Plastics	Formolene
Heritage	Masterbatch de CaCO ₃ & Talco
Kumho Petrochemicals	ABS, ASA & SAN
Kraiburg	Thermoplast® M, TPE, TPV
LyondellBasell	Alathon, Petrothene, Plexar
MOCOM	Altech® Compounds
PEMEX	LDPE, LLDPE
Daicel	Duracon POM, Laperos LCP
Total Energies	HIPS, GPPS
SOARUS	EVOH
SK Chemicals	Skypet, Skygreen, Ecozen

Our resins maintain a strong presence in key industries such as automotive, electrical and electronics, packaging, medical, and industrial where they stand out for their high performance, constant innovation, and consistency in highly demanding applications.
